Industrial Source and the Southern Oregon Hot Rod and Custom show pair up to help OHSU Children's Research.

Medford, OR - February, 18 2007 - Industrial Source, a local welding equipment and gas supplier, teamed up with the Southern Oregon Hot Rod and Custom show last weekend to help raise money for OHSU Children's Research. The Industrial Source booth was a success, raising in excess of \$600 for the charity. This is the second year Industrial Source has helped with the event, supporting OHSU with a raffle and booth staffed with employees who donated their time. Lincoln Electric contributed an electronic welding helmet to the raffle.

Industrial Source is a 3rd generation family-owned welding equipment and gas supplier, serving Oregon for over 60 years, with locations in Medford, Grants Pass, Coos Bay, Eugene, Salem and Portland.
